

Insite is an over 30-person team centered firm offering Site Planning, Civil Engineering, Landscape Architecture and Land Surveying throughout southern New York and Western Connecticut.

We are seeking a NYS PE or NICET Level II Construction Inspector for a six to nine month construction project beginning in the Spring of 2022.

*Here's What You'll Do:*

- Coordinate and perform construction related inspections and prepare the necessary field reports.
- Review the quality and performance of contractors.
- Communicate with clients, regulators, contractors, office staff and other team members regarding performance of work, specifications, testing, and site progress.
- Interpret construction drawings and specifications.
- Prepare daily reports containing contractor work activities, labor and equipment identification, and quantity measurement.
- Gather data and take measurements of various construction activities to determine quantities for payment, conformance with project specifications and regulatory standards.
- Advise contractors of deficiencies and violations and recommending adjustments to operations.

*Here's What You Will Need:*

- Knowledge of site construction components and installation processes.
- Strong communication skills, both written and oral.
- Strong scheduling skills.
- Ability to work independently with minimal supervision.
- Ability to read plans and specifications.
- Complete daily work reports.
- A motor-vehicle, which may require remaining stationary for extended periods of time.

*Here's What We'd Like to See:*

- New York State Professional Engineer registration or,
- NICET Level II

*Here's the Physical Requirements of the Position:*

- Working on construction sites in potentially dangerous surroundings.
- Visiting sites during inclement weather including rain.
- Lifting 50 pounds.
- Walking and standing for extended periods of times.

*Here's Why You Should Join Us:*

- Competitive pay and benefits based on experience.
- Insite offers you a small firm work environment with large firm opportunities.
- Insite is looking for people who enjoy using their education and experience to solve challenging problems on interesting projects.
- Your career is important to us, professional development and career growth is encouraged.

We offer a competitive benefits package including paid time off, medical and dental, long-term disability, professional development, 401K Retirement Plan, Profit-Sharing Plan, and more.

If this sounds like an opportunity for you, please email your resume to [jwatson@insite-eng.com](mailto:jwatson@insite-eng.com)
